Summer Newsletter

Greetings from the Staff...

Dear Parents,

The Hickory staff would like to welcome everyone to our Summer Camp program. We are all eager and excited to begin our summer here at Hickory. The staff have many fun filled days planned and cannot wait to start making this summer a memorable one for you and your child.

In this newsletter we have provided you with very important information that will help you have a smooth and safe summer with us. Please take a moment to look over the important dates and tips. If you have any questions at any time throughout the summer please feel free to speak with one of the staff. You are also always welcome to contact us at 310.530.9381

Again we are all excited and looking forward to spending this spectacular summer with you and your child.

Important Tips

- Remember to bring your summer packets on the first day of camp, including emergency forms and emergency kit. (If you do not have the required paper work, you will be asked to stay at the site and complete it before you may leave your child with us.)
- Please inform us of any food/beverage allergies or medical condition that we should be aware of in order to better care for your child.
- Please bring your ID daily. You will be asked to show ID in order to pick up your child if our staff does not recognize you. This is for your child's safety.
- On field trip days, please call by 8:30 am for any absences. We must verify every child's absence.
- On our field trip days, please have your child wear the YMCA shirt.
- Children must bring lunch daily. Due to lack of time and space, we ask that you do not send your child with heat-up lunches or refrigerated items.
- We encourage you to send water bottles daily.
- Please make sure all your child's belongings are labeled with their name. Your child is responsible for their own belongings.
- Please send your child with sunscreen daily as we do sunscreen the kids twice a day.
- Have your child wear closed toe/heel shoes.
- Money is optional for Field Trips. Your child is responsible for their money.
- Keep a look out for announcements on parent counter for special projects/events or important information.
- For more information about our program, please read your parent packet.
